

Significant Moments by / Heiraten in Neuseeland mit Anke Buhrfeindt

Would you like a wedding ceremony crafted with awareness of your wishes, preferences, beliefs, culture, style and personalities, delivered with a warm personality, elegance, vibrance and charisma?

Give the highlight of your day - your significant moment - the memorable frame and contents it deserves!

Why would you leave the choice of the person who creates the most important and special moment of your day to the last and not end up with your preferred choice?... Book your celebrant early! Summer is busy on the Coromandel and so are celebrants in the area! Find YOUR "match" of celebrant in time and have peace of mind that this important part is taken care of before handling other beautiful, but less crucial details of the day!

As a AUT-trained (Celebrant Studies Certificate) celebrant since 2008 and a validated member of the Celebrants Association of NZ (VCANZ), I take pride in my work and enjoy spending an average of 10 hours on the preparation and delivery of

each wedding. But even if your choice is a "kiss and go deal" I'll still do it with style and fun!

My services - which I can render in English, German and (with some help in composition) in French - include:

- Weddings, incl same sex, commitment and renewal of vows, as well as any special milestone of life:
- Namings
- Celebrations of life (Funerals)
- Anniversaries, retirement, special occasions, coming of age etc
- Divorce (ceremonial separation)

Country: New Zealand
