There is so much to do without leaving our grounds! Stroll through our extensive gardens and pick a hibiscus or a frangipani for your hair. Relax in our island-style gazebo or explore the tranquil valley behind the apartments, with its palms and native plantings.

Norfolk Island

Norfolk Island is just a short flight from Sydney, Brisbane and Auckland, using Air New Zealand, and has a sub-tropical environment, and an equable climate.

The island is a peaceful paradise, a long way from high rises, crowds and the fast pace of many modern holiday destinations. However, we do offer many modern conveniences and facilities here, and good communications with the mainland.

We use Australian currency, and our time zone slots between those of Australia and New Zealand.

Norfolk Island is a place where you can still see the stars at night, and you can watch the sun both rise and set over the sea!

We are only 5 kms x 8 kms, but there is a great variety of things to do and experience for both young and old. Come and see for yourself!

Your stay with us will be remembered as one of the best holidays you have enjoyed.
We hope you will make Fletcher Christian your “island home” when you visit.
