

Waikato Pop Up Weddings

We think everybody should have options, especially when it comes to weddings. Many times we have heard about couples committing to a wedding with a massive price tag beyond their means because they thought this was the only option, we wanted to change that.

Pop up weddings are well known internationally and we thought it would be great to bring this concept to the Waikato region and beyond.

We are proud to be able to bring Waikato Pop Up Weddings to life so couples can have an affordable, relaxed and quality option for their special day.

We also offer Tailored Pop Up Weddings, Elopements and Vow Renewals. Contact us today!
